THE

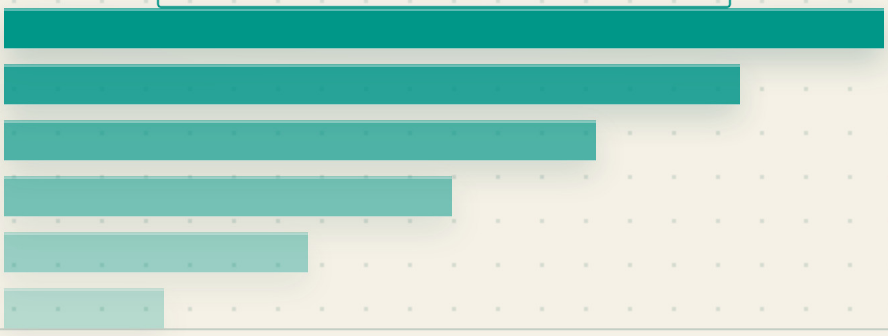

NCE

OWNERSHIP METHOD

A Complete Study Guide for the National Counselor Examination

Every wrong answer belongs to someone. Learn who.

SECOND EDITION · 2027 EXAM

510 exam questions in three full-length practice exams, three options each, built to the 2027 domain weights

382 term-to-owner pairs in the master index — the theory, theorist, test, or standard behind every option

4 steps on every item: read the last line first, name the owner, predict, then eliminate by owner

GA INTEGRATED THERAPEUTIC PERSPECTIVES LLC

Every wrong answer on the NCE belongs to someone. Learn who, and the right answer is the only one left standing.

NCE distractors are almost never made-up words. They are real terms that belong to a different theory, theorist, test, ethical standard, or diagnosis. This book teaches you to name the owner of every option, drills the pairs the exam swaps most, and puts the habit under exam conditions until it holds.

- **The Ownership Method** — a four-step item routine and 23 chapters of term-to-owner tables, swap-pair drills, and quick checks that name the owner of every wrong option
- **Three full-length exams** — 510 three-option questions built to the 2027 domain weights, each keyed with an Ownership Map and a pair to learn
- **New for 2027** — Indirect Client Care with a psychopharmacology reference, practice management and compliance, continuity of care, counselor self-awareness, and the frameworks and tools NBCC's 2027 specifications name
- **Workbook and back matter** — an 8-week plan weighted like the exam, flash pairs, an error log, a 382-pair master index, and a glossary of more than 330 terms
